SPELLS TO TRY AT HOME

WISH UPON THE MOON

If you would like to share a special wish with the Moon Fairy, wait for the next new moon phase. Write it down on a piece of paper and place it on the windowsill or somewhere safe outside for Lunella to find. Once she discovers it, she will do everything in her power to make your wish come true by the time the moon cycle is complete.

SELF-CONFIDENCE SIGIL

On a piece of paper, write down a few words using a positive statement in the present tense to set your intention. For example, 'I am confident'. Once you have done this, remove all the vowels. Arrange the remaining consonants however you like to create your own symbol. Intertwine the letters and embellish them with decorative accents. When you are happy with your symbol, ask Seraphina to infuse it with her fairy powers and let the magic flow.
